SENATOR MCCARTHY INTERVIEWED

ANNOUNCER: "The revelation that the Central Intelligence Agency has been secretly supporting student groups is still generating waves on Capital Hill."

"Wyoming Senator Gale McGee says CIA infiltration of student groups was necessary and probably still is."

"Minnesota Senator Eugene McCarthy says the CIA role became confused during the Eisenhower year."

MCCARTHY: "This beginning, of course, I think can be traced to the time when you had John Foster Dulles as Secretary of State and his brother Allen has head of the Central Intelligence Agency. The record pretty well shows along the way that from about that time on the agency's function and its role was greatly expanded and -- not only expanded but confused."

ANNOUNCER: "Democratic Senator Eugene McCarthy."
